## Specialised skin therapy

### Medical grade hyrdamicrodermabration infusion therapy silk peel

A breakthrough treatment that combines non-invasive exfoliation with delivery of skin-specific solutions to improve and revitalize your skin.

Improves acne, clogged, scarred, lined, dry, flaky, sun damaged skins.

Cleanse, peel, micro, mask, scalp massage, moisturiser, sunblock.

60 minutes | \$100

Micro & Max 7 | \$115

Extra intensive mask upgrade add \$15

Pack of 3 for \$250

Add AHA peel | \$22

### Max 7 LED light therapy facial

From a skin care perspective Light-Emitting Diode (LED) is the basis for photo-modulation, a scientific process that uses wavelengths in the visible light spectrum to send calibrated packets of light into the dermal layer, setting off a frenzy of cellular activity to produce softer, more youthful looking skin. This treatment is ideal for treating sensitive skin, rosacea, fine lines, wrinkles and acne.

Skin analysis, cleanse, peel, serums, Max 7, mask, moisturiser, sunblock

60 minutes | \$85

Max 7 on its own | \$39

Course of 10 | \$199

### AHA/BHA facial peel

This Chemical peel is designed to treat a multitude of skin concerns from pigmentation, uneven skin texture, acne breakouts and signs of premature ageing by resurfacing the skin with minimal downtime; a renewed, smoother, more hydrated complexion emerges as a result.

Let your therapist choose a peel to suit your skin concerns.

Glycolic, lactic or reveal peel.

45 minutes | \$75

60 minutes \$136.50 includes a Biosurface peel 3 day aftercare kit, Valued at \$26.50.
